

U-Walk Field Guide

Segment: Safety

5. Driveways, alleys, or parking lot entrances

Driveways, alleys, and parking lots can be conflict areas within a segment. They're often not as obvious as an intersection, but may still experience high volumes of traffic.

Segment: Comfort

6. Space between the path and curb

7. Trees shading the path area

Both sides of path

Segment: Infrastructure

8. Wayfinding Signage

If someone is unfamiliar with the area, would the signage help them to find their destination?

Crossings

16. Signalizations

HAWK Crossing

Push button at signalized intersection

Pedestrian crossing sign & flashing lights (RRFB)

17. Crosswalk treatments
